

S A R N - Swiss Artistic Research Network

WORKSHOPS 2011

__From the Inside__
__Current Projects in Swiss Artistic Research__
__Presentations and Debate__

SARN aims at establishing a continued exchange within the Swiss community of artistic research. The SARN workshops gather artist researchers, professors and students for a dialogue about their projects, sharing their research experiences and imagining possible future collaborations. Further workshops are planned_20.10._5.12.2011
